

Our Mission

YWCA Enid is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom and dignity for all.

The YWCA is the oldest and largest multicultural women's organization in the world.

Across the globe, we have more than 25 million members in 122 countries, including 2 million members in 300 local associations in the United States.

More important than the numbers is our mission to eliminate racism and empower women. We provide safe places for women and girls, build strong women leaders, and advocate for women's rights and civil rights.

Women come to us in times of crisis, as survivors of rape or domestic violence. We work to help them become independent by providing career counseling and support. They come for childcare. They come for a variety of reasons. But they come. And they leave with a renewed spirit, new skills, and stronger lives.

Proud to be an United Way agency!

REFLECTIONS Halfway House

YWCA Enid's **Reflections Halfway House** program was established to provide support services for low-income women, with dependent children, who have recently completed **drug and alcohol treatment**.

The safe and supportive environment of a Halfway House facility provides a wide range of assistance including improvement in client education and employability levels.

The **REFLECTIONS program** is one of three halfway house programs in Oklahoma.

A key issue of treatment includes supporting the healing process for the entire family. YWCA Enid's Halfway House is certified by the **Oklahoma Department of Mental Health and Substance Abuse Services (ODMHSAS)** and accredited by the **Commission on Accreditation for Rehabilitation Facilities (CARF)**.

Trained, qualified and caring counselors and staff provide support and assist clients in developing their treatment plans.

Referrals

Referrals are accepted from a variety of sources including, but not limited to: treatment centers, the Department of Human Services, doctors, and hospitals. Self referrals are accepted in some circumstances.

How long do clients stay?

The client stay varies with the individual client and progress. REFLECTIONS recommends no less than sixth months to permit clients to work on their treatment plans/goals and develop a solid base of sobriety.

REFLECTIONS Halfway House offers a community living environment. Women, and their children, have their own room while sharing kitchen, dining, laundry, and bathroom facilities with other clients. There is also a children's playroom, teen room and community living room.
